

STATE COUNCIL CHANGES

Our Brother Jim Griffith has resigned from his positions as State Advocate and State Programs Director for personal reasons. He has served the Knights of Columbus faithfully for many years. His dedication and energy will be missed; however, he will continue to serve the Knights through his local council and through his service in the ceremonials of the Order.

After much prayer and consideration, the State Council unanimously selected Brother George Mesina to serve as Idaho State Advocate. He will remain the State Membership Director.

The State Council also unanimously selected Brother Dan Moberg to serve as Idaho State Warden and State Programs Director. Our Brother Dan has served his council and assembly in almost every position. He currently serves as the State Wheelchair Mission Chairman and has been instrumental in raising funds for Idaho to purchase a container of wheelchairs for distribution at the CRIT center in Guadalajara, Jalisco, Mexico this fall. Dan served as a District Deputy and was the recipient of two All Star District awards. He has also agreed to continue as the State Wheelchair Mission Chairman.

The State Council is excited to welcome Brother Dan and look forward to working with him as we continue to serve the councils of Idaho. He brings enthusiasm and experience to his new position, and is looking forward to serving the Idaho Knights of Columbus.

Please pray for Brothers Griff, George and Dan as they begin new phases in their service to their community, their Parishes and the Knights of Columbus. Also, please remember to pray for the State Council and each other.
