Grow Your Membership by Recruiting Graduates

In order for your council to serve the Church and community, you need enthusiastic members with fresh ideas and energy. To help rejuvenate your council, focus on recruiting graduating students.

As a recruiter, it is your job to tell them that the Knights of Columbus is not just for their fathers and grandfathers; it has many things to offer Catholic men of all ages.

Begin recruiting by identifying your prospects. Don't forget to consider the sons, grandsons and nephews of members and parishioners.

Conduct an invitation program aimed directly at graduates. Share details about your council's programs, activities and events that will interest them in becoming active members.

Also, organize an informational night or open house especially for younger graduates. Inform them of programs and activities that will appeal to them, such as athletic programs and community service projects. Invite your field agent to the event, asking him to talk about financial products designed for younger members.

Councils might also consider offering a special incentive for fathers who recruit their graduating sons. Graduation cards should be sent to these graduating sons, as well as to any other young graduates the council knows. With the card, be sure to include an invitation to join the K of C.

Finally, conduct a First Degree exemplification specially designed to initiate these recent graduates. A special ceremony may encourage young men to join with their friends.

CIS - Building the Domestic Church Series

Brother Knights, to state the obvious, the new fraternal year is upon us. There are new officers, updated membership and insurance quotas, and the planning and ordering of this year's council activities (Surge with Service). By now your council should have held its organizational meeting setting the ground work for the entire fraternal year. With that said it is worth recalling that the Domestic Church Initiative has been with us for about twenty months. Participation in the initiative should have become a way of council life providing us and our families more opportunities to participate in a variety of activities that deepen our faith, promote the New Evangelization, and strengthen our parishes while growing our order at the same time. I trust that your council officers included some of these activities in their yearly planning. If not it is not too late. Keep in mind that the list of activities has grown from just a few at the introduction of the initiative to twelve. As a way of review these activities include:

What have we obtained from our Domestic Church experience over the past fraternal year? For me I obtained a deeper appreciation of our leadership. By introducing the initiative, Supreme Knight Carl A Anderson and the Supreme Council boldly stepped forward offering a renewed focus on our families and parishes at a time when it seems that the secular

society in which we live made major political gains contrary to the basic beliefs of our faith. At time when many, including some Catholics, believe the Church should fold to the demands that we modernize, folding abortion, same-sex marriage, no fault divorce into our Catholic Christian culture. At a time like this I want more than ever to be part of this organization that has the strength to standup to these offerings and say "No".

With that said, what better way to start the new fraternal year than by taking a serious look at the theme for July in the *Family Fully Alive* booklet. The theme "Witnessing to the Faith" starts with this statement: *Because families play an indispensable role in the new evangelization, we want to share our faith with other families and those who are far away from God.* I strongly encourage all Knights in Idaho to take the time to read the July offering in the booklet.

Silver Rose - Mountain Home 3703

Mountain Home Council 3703 hosted a mass and rosary for the Silver Rose on June 25th. The celebrant of the mass was Father German Osorio's first weekend with his new parish. It was a separate mass from the normal weekend masses. The Council was thrilled that he was more than eager to do it for them. There were 45 people in attendance for the service. The KC members in the picture from left to right are: Gary Smith, Jim Martin, Fred Horn, Jim Cox, Monte Stephens, Allen Darrow, Father German Osorio, Paul Petro, Edwin Nielson, Fred Busing, Paul Degand and Steve McGrath.

Don't Wait for Winter

You might have stored your winter gear for the summer, but that doesn't mean it's too early to begin planning for Coats for Kids distributions!

Councils should be thinking ahead to September, when kids head back to school, or November, when Black Friday distributions are held. By planning your event early and ordering your coats now, you'll be guaranteed to have everything ready in the fall.

Charitable Roofing

Brother Knights from Father Kelly Council 2888 in Sandpoint put on a roof for a brother Knight needing one. Brother Knight Chris Borges (S.K.) owner of Borges Roofing donated the roofing and his time for free. The project was completed in only ONE day, May 27th, due to generous outpouring of support by a large number of Brothers. That is what the Knights are about, helping a brother in need.

Team Effort

Pocatello KC's and Holy Spirit parish members welcomed home Father Roger LaChance with remodeling and cleaning efforts to the house on Wyeth Street in Pocatello over the last several weeks. With assistance from Kerry Hennessy; Jose Iniguez; Fred Davis; Pat Taney; Don Lesnewski; Arnold Ortiz; and Pedro Gallegos the installation and painting of the deck, and painting of the garage were accomplished. Bruce Olenick designed, directed and coordinated the deck project while Mike Grady provided the resources needed to finish them. Special thanks to Jim Gaved for donating the funds for the garage door and opener.

On June 29th Brothers Bert Lillis and Wally Meyer of St. Pius X Council 11623 of Coeur d' Alene arrived at the house after driving the truck with Father Roger's personal belongings across Idaho and Montana. Thanks to Bert and Wally along with Pat Taney; Don Tehle; Dave Molitor; Kip Winter; David Davis; Tom White; Paul Archibald; and Mike Nally for their efforts in off-loading the truck and helping to make the house a "home" for Father Roger. Great appreciation to the other 15-20 Brothers from Council 11623 for their invaluable assistance in the packing and loading of the truck in Coeur d'Alene.

On behalf of all the members of the Holy Spirit Catholic Community of Pocatello and Chubbuck we heartily welcome Father Roger and look forward to his spirituality and guidance.

Coeur d'Alene Council 11623

Many thanks go out to all the Brothers, family and friends who have stepped up over the years to make the tenure of Father Roger LaChance at St. Pius X such a rewarding one for everybody. One very special thank you breakfast for Father Roger was held on Sunday June 25th. We can't thank Father Roger enough for all the leadership and love he has provided our Catholic community in the Coeur d'Alene area. We wish him all God's special blessings as he enters into the "retirement" part of his life moving back to his home town of Pocatello to serve them, and no doubt being very involved with the scouting program there as well.

Additional Award: Wade Toombs was awarded Knight of Month.

John Webb receives State "Public Relations" and "Help for the Disabled" Awards from GK Craig Frei.

Prospective Member FAQ

1. I don't have time to join another organization; why should I join the Knights of Columbus?

As a Knight you can choose the projects with which you wish to be involved in within your own community. What is more, the Order is dedicated to family life and the many benefits it offers. From insurance to scholarships to service and social activities and programs, all are open to the whole family.

2. What are the requirements?

Membership in the Knights of Columbus is open to men 18 years of age or older who are practical (that is, practicing) Catholics in union with the Holy See.

3. What is a practical Catholic?

A practical Catholic accepts the teaching authority of the Catholic Church on matters of faith and morals, aspires to live in accord with the precepts of the Catholic Church, and is in good standing in the Catholic Church.

4. Explain what Degrees are.

There are four degrees within the Knights of Columbus. Each degree ceremony imparts a lesson on the Order's core virtues of Charity, Unity, Fraternity and Patriotism.

5. Do I have to purchase Insurance to become a member?

No; unlike many fraternal organizations one does not become a member by purchasing insurance. In the Knights of Columbus a man has to be a member before he may avail himself of the insurance benefit. Purchasing insurance is optional, however; the life insurance and long-term care insurance products offered by the Order are not only competitively priced, they are among the most solid and highly rated products available anywhere. Standard & Poor's and A.M. Best, the leading independent agencies that rate insurance companies, give K of C insurance their highest ratings.

Rob Palus receives State Youth Award from Craig Frei. Was also presented the Family of the Month certificate.

Seminarian Station - Deacon Joseph Lustig

Brother Knights,

What a blessing it is to have been ordained and set directly on the path towards the priesthood.

My ordination to the transitional Diaconate was in mid-May and I have been working since in the Weiser River Valley at St. Agnes Parish. Serving as a deacon has been a great joy for me and the effect of the graces of ordination are noted. From going through the grocery store in my clerical clothing, to visiting families in their homes, proclaiming the Gospel at Mass, and most recently baptizing babies, I have felt the grace of Christ working through me.

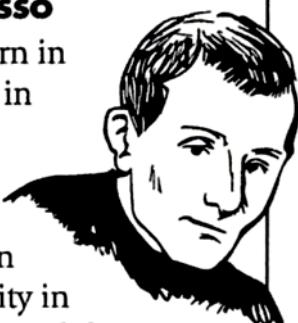

I ask that each of you renew your commitment to carry Christ in your hearts and bring Him to the world. Next time you are at Mass, make a conscious decision to open your heart and receive the graces He desires to give you through our participation in His Most Holy Body and Blood. God Bless.

One Minute Meditations

St. Joseph Cafasso

St. Joseph was born in Castelnuovo d'Asti in Italy to peasant parents. From a young age, he was known for his humility in prayer. He entered the seminary in Turin, and was ordained in 1833. He went on to study and teach in the university of Turin. He combated the heresy of Jansenism and urged devotion to the Holy Eucharist. He was an excellent preacher, confessor, and retreat master. One of his pupils was St. John Bosco.

God as Father

In Jesus' day, many people felt God was so holy, his name was unutterable. Imagine their surprise when Jesus taught them to call God Abba, which means, "Daddy"! When you pray, remember you're addressing a loving Father who is eager to help.

"Behold, I stand at the door and knock. If anyone ... opens the door, [then] I will enter his house and dine with him, and he with me"

(Revelation 3:20).

The event was held in St. Jerome's church hall the evening of June 9th and featured Spaghetti, garlic bread, a green salad and deserts prepared by St. Jerome's Parish ladies. Grand Knight Troy Charles said of the event: "... it was a true honor and privilege to host such wonderful and special people. I was struck by their drive, passion, and excitement to participate in this year's games, and I think most of them were excited and very hopeful to return next year". Special Olympics Executive Officer Laurie La Follette praised the Jerome Knights for their warm hospitality and willingness to get involved.

Chairman Note: If I may offer a personal observation as State Chairman. Those Councils that have not made contact and become involved with a local team are missing out. Knights who have become involved with Special Olympics uniformly share Grand Knight Charles's feelings. Jim Barclay

'Buy One Give One' Ministry

Here is some information about a ministry that newly elected Grand Knight, Vern Bauer, runs in Boise. His is a good ministry, which trains chefs and also provides gourmet meals delivered through the Kai Project and Food on Purpose to your home.

NEW! A new bright spot in our meal delivery platform is our BOGO program - which usually stands for Buy One Get One... but with the Kai Project and Food on Purpose - that now stands for Buy One Give One! I'm working with St. Vincent DePaul's ministry and the Knights of Columbus Council #899 of Sacred Heart, here in Boise, and any item that you want to make an order of for 2 of that item - we will gift that second extra item to a shut in family or a person in great stress or financial need. Just put in the notes at the end of the food order form in the new BOGO TOGO area and let us know which item you are praying forward to a family or individual in need. The entrees, bowls, muffins and side items make great gifts to give someone in need a meal and a hug. Thanks for your support.

Thanks for all of your efforts to forward on to others what we're doing with our order form and meal delivery service, who we are, and the sacred work God has put in our hands. If you know of anyone looking to take that next career step - or just wants to work on their interview abilities or wants to know how to get incredibly sharp knives - send them to us with a text or an email or a phone call!

Thanks for taking the time to read the fine print! Paste this link into your browser to go to our Gourmet Meal Delivery order form:

Membership Recap

By: Mike Townsend, Idaho State Deputy

This past fraternal year, we have been striving to achieve the membership goals that were established by Supreme. Overall, there were some setbacks which hindered our progress, but several Knights stepped up to the plate in the area of recruiting new members. I wanted to say a big **THANK YOU** to those Knights who persevered and kept on recruiting.

I am writing this on June 29 and there is one day left in this fraternal year. Even though the year is not quite finished, I would like to highlight the efforts of several district deputies, councils and individuals who have met the challenge this past year. As of today, here are the figures shown by Supreme in regards to their membership goals.

The Last Word

Mike Townsend - Idaho State Deputy

Brothers,

Idaho finished strong this past fraternal year, reaching over 93% of our intake goal. Our membership now stands at 4,911 as we strive to reach the 5,000 member level. Over 125 of our Brother Knights recruited at least one new member during this past year and 7 recruited at least 6 new members. The top recruiter for Idaho was George Mesina who brought in 13 new members and reactivations.

It was a year that councils performed exemplary work in their Parishes and communities. A record number applied for the Columbian Award. Also, each Idaho council submitted their Report of Charitable Activity Form #1728, another record. There were also times of sadness as Brother Knights passed from this earth and others relocated to different states.

As you read these words, we will have begun a new fraternal year. It is a time for new beginnings and to refocus our efforts. Officers will be given new goals for the year and there should be an air of excitement as the council's plan upcoming events.

In 2017 – 2018, let each of us Knights vow to invite every Catholic man that we know to join us in our charitable efforts. Together we can make a difference in the world every day. When other men join with us we can accomplish even more.

When a man joins the Knights of Columbus, he becomes a better Christian, husband and father. By joining in the good works that the Knights do, they increase the charitable acts they participate in. The Knights of Columbus is a powerful force for good for parishes and communities. Remember, "We save lives and we change lives."

I ask that every council embrace the state theme for this year, "**CALLED TO BE DISCIPLES**". Reach out and embrace the message of our Savior Jesus Christ when he said, "Go therefore and make disciples of all nations". We are called to be disciples and to bring others to the knowledge of Christ.

Pope Francis has said that the family is the Domestic Church and the Parish is a family of families. There are exciting times ahead for the Idaho Knights of Columbus as we work with our Priests to "Build the Domestic Church by Strengthening our Parishes".

May God bless each of you and your families as we grow together in our spirituality this coming fraternal year.

Vivat Jesus.

Vivat Jesus!
