## Day of the Unborn Child Approaching Fast

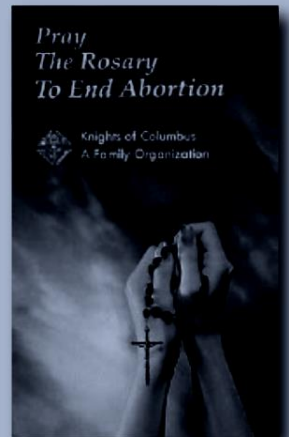

The international Knights of Columbus Day of Prayer for the Unborn Child takes place on March 25. All councils should begin organizing a pro-life Mass or prayer service for that day, inviting all members of the community, including public officials and health care workers. Reach out in particular to any local parents — including single mothers — who are facing a crisis pregnancy, welcoming them to this special day of prayer.

To plan a service, each council should:

- Ask your chaplain or pastor how he would like to celebrate the day, whether it be marked with a special Mass or recitation of the rosary.
- Announce the program the weekend prior to the event through bulletin inserts and pulpit announcements.
- Submit a notice to the local diocesan newspaper and any secular media.

Visit [kofc.org/prolife](http://kofc.org/prolife) for a brochure that includes hymns, suggested intercessions for the cause of life and rosary meditations. In addition, the Supreme Council offers the four-page *Winning Words of Life* flyer (#2275); *Prayer for the Unborn* cards (#4665); *A People of Life — And for Life* brochure (#4795) and poster (#4804); *Pray the Rosary to End Abortion* poster (#2073) and prayer card (#2072); and the *Gospel of Life* poster (#4238) and prayer card (#4237).

### State Council Changes

#### Important Notice

Our Brother Paul Callahan FDM has resigned from his positions as State Warden and State Membership

Director for personal reasons. He has served the Knights of Columbus faithfully for many years. His dedication and energy will be missed; however, he will continue to serve the Knights through his local council and through his service in the ceremonials of the Order.

After much prayer and consideration, the State Council unanimously selected Brother George Mesina to serve as Idaho State Warden and State Membership Director. George has served his council and assembly in almost every position. He was the State Membership Director for the past fraternal year and helped lead Idaho to the Circle of Honor distinction for the first time in several years. He is currently serving as District Deputy for District 1 and has agreed to continue in that position for the remainder of the fraternal year.

The State Council is excited to welcome Brother George and look forward to working with him as we continue to serve the councils of Idaho. He brings enthusiasm and experience to his new position, and is looks forward to serving the Idaho Knights of Columbus.

Please pray for Brothers Paul and George as they begin new phases in their service to their community, their Parishes and the Knights of Columbus. Also, please remember to pray for the State Council and each other as we enter the Lenten season.

### Formation Degree (2nd) Lewiston Council 1024

A Formation (2nd) Degree was held in Lewiston hosted by Council 1024 on Saturday, February 4th. Twelve members participated in the degree from area councils. Participants were from Moscow 1397: Derick Brenner, Andrew Friedrich, and John McCabe. From Cottonwood 1389: Richard Spencer, Nathan Beckman, and Denis Duman. From Grangeville 4058: Mitch Green, John Whyte, and Rand Brown. From Lewiston 1024: Ralph Roe, David Bromun. And from Clarkston, WA 3455: Michael Frees.

**Unity** – None of us is as good as all of us. KC Brothers know that – together – we accomplish far more than any of us can individually. So we stick together...we support one another even if there is a difference of opinion. It means that – as a Knight of Columbus – you can count on the support and encouragement of your brother Knights as you work to make life better in your parish and community.

## Right to Life

Brother Knights,

As you know, for the past 40 years since Roe v. Wade there has been a massive push on the public to accept the abortion agenda. Through God's Grace, there have been some non-profit, non-government subsidized businesses open with their sole purpose to educate, provide assistance, support, and love for women considering abortion or those who just find themselves in a situation and don't know where to turn. As part of our Culture of Life mission, the KC's attend events and provide support to some of these. Each has a little different focus but all have the same goal to help pregnant women. Some of the names of these you may or may not be familiar with are Stanton Health Care, Birthright, Gate of Grace, Path and I'm sure there are others around the State that I'm not familiar with yet. This past month we attended an event for BIRTHRIGHT.

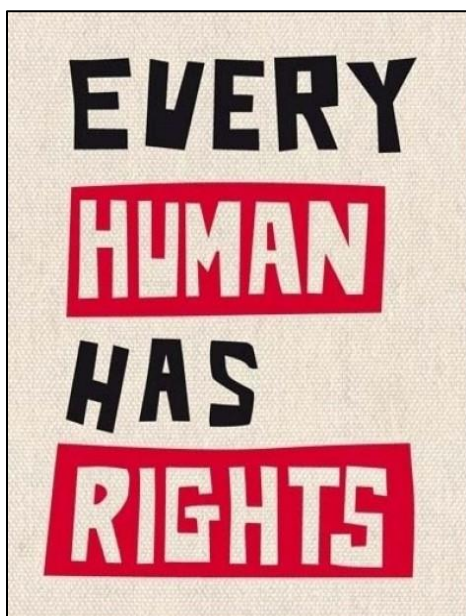

Left to right are: Bill\Karron Pahl (Culture of Life couple), Jeff\Val Allen (Immediate past COL couple), Fr. Camilo (Corpus Christi), Mike and Judy Townsend (State Deputy), Jim\Veja Jensen (District Deputy 7). Missing who attended but had leave was Fr. Ben (St Marks).

*We love them both...*

BIRTHRIGHT, for those of you that are not familiar with them, is an international non- profit organization whose philosophy is one of commitment to offering free, non-judgmental help to women facing unplanned pregnancies. Birthright offers love, hope and support to each woman, to help her make a realistic plan for her future and the future of her unborn child. In Idaho they have 4 locations ... Boise, Coeur 'd Alene, Idaho Falls and Rupert. The Boise location held a fund raising gala on February 10<sup>th</sup> which was well attended with about 600 people. The Knights were well represented with members of the State Council along with several other Knights also in attendance. Fr. Len MacMillan offered a blessing for the event, for all babies, and for our food. Kathy Coops spoke about the benefit itself and all the wonderful donated items to bid on. Mary Hill, the Director of Birthright of Boise spoke on how Birthright helps women with free pregnancy tests, maternity and baby clothing, medical help, and most importantly friendship and a listening ear at a time when the future is unknown for some of these women and they don't know what to do. It was a great event and a pleasure to represent all of the Knights as we stand together for the Culture of Life.

Bill Pahl - Idaho Culture of Life Chair

## What Makes a Star Council?

**D**id your council make its quota? Did it conduct programs that included a large percentage of its membership? Does your council discuss programs with its chaplain? Does your council involve its field agent?

If you've said yes to all of the above, your council could be well on its way to becoming a Star Council! Star Councils involve their members, build enthusiasm and bolster membership efforts through their programs and activities. Star Councils set the pace for the Order in growth and programming.

Remember that the only way the Supreme Council officially learns about your programs and activities is through your council reports. If your reports show that your council did not succeed with the proper programming and growth goals, you cannot qualify to be a Star. The only way to improve such reports is to develop better programs that engage the members of the council and your parish, uniting them in a common charitable or spiritual cause.

For further details on achieving Star Council, please refer to [kofc.org/star](http://kofc.org/star).

## Suggested Lenten Preparations for Easter Sunday

Brother Knights, Lent is upon us and it should be no surprise the March theme in the booklet *Family Fully Alive* is “Family Difficulties”. The March meditation section of the booklet starts with these two lines from Pope John Paul II’s *Familiaris Consortio* “There is no family that does not know how selfishness, discord, tension and conflict violently attack and at times mortally wound its own communion: hence there arise the many and varied forms of division in family life but, at the same time, every family is called by the God of peace to have the joyous and renewing experience of “reconciliation,” that is, communion reestablished, unity restored.” Those sentences in conjunction with two CIS booklets are excellent guides for reflection in our Lenten preparation for Easter Sunday.

The booklets *Into the Breach: An Apostolic Exhortation to Catholic Men* by the Rev. Thomas J. Olmsted Bishop of Phoenix and *Becoming a Real Man of God* by Father Roger J. Landry are complimentary in describing the circumstances facing Catholic men in today’s culture. Both offer abundant food for thoughts and meditations useful in our reflections heading toward reconciliation. In fact both booklets are so rich in information I recommend that all councils in Idaho obtain copies for their use, and the use of individuals and their respective parishes. Obviously it is not possible to cover the contents of the booklets here but briefly both authors clearly describe the situation facing Catholic men in today’s culture.

In the first booklet Bishop Olmsted clearly describes the battle Satan is waging on the world today resulting in a large breach in our defensive wall of faith. One reason he gives for Satan’s success is that Catholic men have not been willing to jump into the breach to fight in the battle hence the reason for the title of the booklet. In summary he is offering encouragement, a challenge, and a calling forth to mission to all Catholic men. He does this by addressing the following questions: 1) What does it mean to be a Christian man? - 2) How does a Catholic man love? - and 3) Why is fatherhood, fully understood, so crucial for every man? At the end of the booklet you will find a reflection guide prepared by the Knights of Columbus. This reflection guide examines the questions raised by Bishop Olmsted. With eight weekly reflections covering the document’s eight sections, this guide can help individual men and/or groups of men understand the breach in faith today, as well as their unique role in repairing it.

In the second booklet Father Landry describes the assault on masculinity that has occurred over the last several decades and the negative impact this has had on marriages, children and families. He goes on to say that this has caused an identity crisis for many men. Father Landry describes how men and women love differently, how to form virtuous masculine men, the perversion of masculinity, and how our culture no longer cultivates responsibility in young men yet cultivates sexual irresponsibility and at the same time increase effeminacy in our culture. The author continues on to discuss many other important issues facing Catholic men today.

Both booklets can be ordered through Knights Gear, viewed on-line or downloaded. In my opinion the booklets should be required reading.

John Krsul - State Council Director

## Yes, You Can!

Can you make a difference in your community? Yes, you can — through a 40 Cans for Lent program. The goal of this drive is for council members to each contribute one can of food for each of the 40 days of Lent. Then, just before Easter — or periodically throughout Lent — the food can be delivered to a parish food pantry or community food bank.

Promote the initiative at council meetings and via your council’s Facebook Page. You should also promote the event at your parish and local parochial schools, to get parishioners and the community involved as well.

Don’t think your council is interested in sponsoring such a project? Remember that the Supreme Council will refund \$100 for every 1,000 pounds of food that a council contributes to a parish food pantry, community food bank or soup kitchen — up to a maximum of \$500 per council per fraternal year. If that’s not enough to get your council members to participate, remember that this activity also could help your council fulfill all four of the Family Activity requirements for the Columbian Award, helping you on your way to becoming a Star Council!

For questions on this and similar Food for Families Activities, visit [kofc.org/community](http://kofc.org/community). For more information, contact Natalina Mazzucco at 752-4270-4402.

## Assembly Actions

John Pettinger PSD - District Master

Brother Knights and Sir Knights,

This month I have two items to pass along: the upcoming Fourth Degree Exemplification and clarification regarding use of an Honor Guard at funerals.

The next Fourth Degree Exemplification for those wishing to become Sir Knights will be held on Saturday, April 29, in Pocatello. Details will be emailed to all Faithful Navigators, Comptrollers, Grand Knights, and Financial Secretaries of record. A Form 4 must be completed with all 5 signatures being required on the form. Form 4's need to be filled out completely and emailed to Comptroller Dave Molitor as soon as possible ([dmgolfguy5@yahoo.com](mailto:dmgolfguy5@yahoo.com), or call 208-240-5935). The host assembly needs a count of guests and observers attending for dinner planning. We hope to see a good turnout for this fourth and final lesson in what it means to be a Knight of Columbus.

Recently, it came to my attention that there is some confusion regarding eligibility of a Fourth Degree Honor Guard at funerals. On page 27 of the Color Corps Drill Manual, it states: "Without exception, honors by the Honor Guard shall be offered to deceased Sir Knights of the Fourth Degree currently in good standing on all counts at the time of death."

Reading further, the Honor Guard may be offered to the immediate family members of a Sir Knight in good standing and Third Degree members in good standing and to their immediate family members provided a request is made.

Since I was unsure whether Third Degree in this case meant First and Second Degree members of a Third Degree Council, I inquired of our Vice Supreme Master, Karl Hadley, whether they were also included. His response was that it is intended for Third Degree members, but we usually extend that to all members depending on the availability of Honor Guards. This should be a local decision, which I suggest can be determined based on how dedicated the member has been to his council.

The Treasure Valley has a very active Color Corps and quite often are requested for Confirmation Masses, Our Lady of Guadalupe ceremonies, Special Olympic events, many Masses on Holy Days honoring Our Blessed Mother, and even an occasional wedding of a Sir Knight. Limits can only be placed on availability and appropriateness as determined by the Color Corps Commander at the locale.

## Knights and Charity

Sir Knight Oliver Samora, Sr.'s granddaughter, Alexia Mendez, the daughter of Josh & Serena Mendez, has been severely disabled since she was a toddler. Alexia was unable to sit, stand or even hold her head up without assistance. She needed a Stander Assistive Device to assist her with those daily habits. After searching for the proper device the family realized they were unable to afford this much needed device. SK Oliver Samora, Sr. came to Council 8930 asking for assistance. We were

able to raise all the money needed for the device. Days after receiving it Alexia and her family came to thank the Knights for their assistance. Included is a picture of Council 8930 and Alexia with her new device.

VIVAT JESUS.

Troy S. Nell, Warden - Council 8930

## On the Horizon by: Mike Townsend, SD

We are over half way through our fraternal year. The next five months will fly by in a flash and there are many things "on the horizon". I thought it might be good to share some with you.

- **STATE CONVENTION** - This year's State Convention will be hosted by Lewiston Council #1024 at the Red Lion Hotel in Lewiston, April 21-23. Our theme for this year is "We Are the Domestic Church" and the Friday night theme dinner will be "October Fest". We will be conducting "Financial Secretary Informational Training" and "Completing the SP-7 Columbian Award" seminars prior to the opening Mass. There will be a "Country Store" available where Knights of Columbus merchandise can be purchased and they will also accept Supreme Membership Award points to pay for merchandise. This is a convenient way to utilize those award points!! I hope to see each of you there.

- **STATE AWARDS** - Be sure that your council has submitted their entries for the State Awards which will be presented at the convention. This includes Family and Knight of the Year entries. Winners will be submitted to Supreme and could win a Supreme Award.

- **MARRIAGE FOR LIFE** - The State Council is currently working with Bishop Peter in the development and distribution of his Marriage for Life program in Spanish. Watch for more information

- **MEMBERSHIP DRIVES** - March is the month that Supreme has established for conducting a membership drive in your local Parish. Be sure to **ASK THE QUESTION** and invite Catholic men to join with us in our charitable work.

- **EVENTS & PROGRAM CALENDAR** - Our Executive Secretary Chuck Davlin and State Advocate/Program Director Jim Griffith are developing a new calendar which we hope will list all upcoming events and programs throughout the state. We will keep you up to date on the availability.

- **INFORMATION KIOSK** - Supreme has developed a new Catholic Information Services program which works hand in hand with your Building the Domestic Church program. It is a Kiosk which holds various CIS booklets and is available for councils only. There is special pricing and it is available through Knights Gear and the Supply Department. Check it out!!

### Top Three Best Practices to Ensure Council Success

There are no small deeds! Don't let projects or prospective ideas overwhelm you. These three practices can help even the smallest council make a difference and open the way for even more effective work in the future.

First, consider the needs of your parish and community. Ask yourself: What impact do my council's activities currently have on our community? How can my council improve and actively make a greater difference?

Second, look at the big picture. Ask yourself: Are my council's goals and priorities in line with the Order's? Do they address the concerns of the entire Church?

Third, look at your members' interests. Survey council members on the types of charitable and spiritual activities they are interested in, and then, work to align council activities with the results.

## Special Olympics - Idaho

### Vehicle Raffle 2017

Special Olympics Idaho has announced the start of their major fund raising event for 2017 and has asked that the Knights participate as we did in 2016. Like last year, this year's event will involve an auto raffle with the grand prize being a 2017 Toyota RAV4 XLE SUV valued at \$29,893.00. Second prize is a Steelhead Fishing trip for two, a \$550.00 value and the third prize is a \$500.00 gas card.

The tickets are \$10.00 and can be obtained from any of your local clubs or by contacting Laurie LaFollette at [llafollette@idso.org](mailto:llafollette@idso.org). Tickets, and answers to most questions, can also be obtained by contacting our Special Olympics Chairman, Jim Barclay, at [jimabarclay@q.com](mailto:jimabarclay@q.com) or calling 208-869-5839.

At the end of the raffle, on June 17<sup>th</sup> of this year, participating Councils will receive a cash award to be used in their charitable works. The amount of the awards will be based on ticket sales and determined by the State Directors.

Recently, Vatican Radio made this report on Pope Francis's meeting with a Special Olympics delegation from the Winter games which will be held in Austria: "This March the Special Olympics World Winter Games, takes place in Styria, Austria and on Thursday Pope Francis met a delegation from the Special Olympics International telling them 'you will be, as the theme of this year's event says, a heartbeat for the world'".

"In a way", the Pope told those gathered, "at the heart of all sporting activity is joy: the joy of exercising, of being together, of being alive and rejoicing in the gifts the Creator gives us each day. He continued, "the sweetest victory is when we surpass ourselves – we realize what true and well-deserved joy feels like."

## St. Mark's Council 12172 Boise

Knights of Columbus Council 12172, St. Mark's, Boise, recently hosted a Parish Pancake Breakfast. The \$250.00 raised was donated to support "Birthright of Boise." The "Birthright" program assists women who are pregnant (or think they may be pregnant) for as long as needed.

## Celebrate Founder's Day on Wednesday, March 29

The Knights of Columbus began in the basement of St. Mary's Church in New Haven in 1882, when Father Michael J. McGivney united a small group of pioneering Catholic laymen. Together, they founded a society designed to strengthen men in their Catholic faith and to provide financial assistance for widows and orphans. Now, more than 125 years later, we celebrate Father McGivney's vision for the entire Church, in which he saw all men actively participating in the sacramental life of each and every parish.

Here are a few events your council can sponsor on or around Wednesday, March 29, to celebrate the founding of our Order:

- Hold a reception for your parish and community, showing the film *The Life and Legacy of Father McGivney* and providing information on the Father Michael J. McGivney Guild. For details about the guild, visit [fathermcgivneyguild.org](http://fathermcgivneyguild.org).
- Recognize your council's founders — your charter members — by presenting them with *Charter Member Certificates* (#1456).
- Prepare a council history display featuring old photos and written records.
- Tie in your anniversary celebrations with an open house or membership drive. Founder's Day activities are the perfect forum for asking eligible Catholic men to join the Knights of Columbus.

For more ideas on celebrating Founder's Day, visit the Council section of [kofc.org/service](http://kofc.org/service).

### *Unity in Brotherhood - 50th Anniversary* **Pocatello**

## Wheelchairs for Veterans

Knights of Columbus in Idaho have worked to raise money for wheelchairs benefiting veterans and the Northwest Honor Flight program. The Honor Flight is a program that transports war veterans to Washington D.C. to visit the memorials dedicated to honor their service and sacrifices. Many of these veterans are in need of mobility aid, so the gift of wheelchairs is met with much gratitude. Pictured here, the Idaho Knights from St. Pius X Council 11623 of Coeur d' Alene are in the process of transporting boxes of wheelchairs to Spokane International Airport, and opening them in preparation for the Honor Flight trip in April.

## *The Last Word*

Mike Townsend - Idaho State Deputy

Brothers,

Today we mark the beginning of the Lenten season. As Catholics, we begin a six-week period of self-examination, abstinence and fasting. At the end of this season, we celebrate the resurrection of our Savior, Jesus Christ. If we are to be joined with Christ at Easter, we should utilize this time to take a closer look at how we share our faith on a day-to-day basis.

The Catechism of the Catholic Church teaches us in paragraph 1877 that; "The vocation of humanity is to show forth the image of God and be transformed into the image of the Father's only Son." We have been called by Saint John Paul II and Pope Francis to be a part of the "New Evangelization." We are not asked to stand on the street corner and preach or go from door to door to "save" people. What we are called to do is share our FAITH with others. This sharing includes being willing to tell others what we believe and demonstrate through our daily lives that we are followers of Jesus.

The Catechism in paragraph 1882 tells us that there is a "natural tendency for human beings to associate with one another for the sake of attaining objectives that exceed individual capacities." These associations develop the "qualities of the person, especially the sense of initiative and responsibility and helps guarantee his rights." The Knights of Columbus offers each of us a way to demonstrate the love of Christ through our lives and actions. Everything that we do as Knights should be for the glory of God. Through our charitable and spiritual works, the face of Jesus is seen.

Join the "New Evangelization" and offer what you have received as a member of the Knights to other Catholic men. Together, we can attain much more than we can as individuals. ASK THE QUESTION and invite them to join the Knights of Columbus!!!

Mercy and Peace. Mike

*Vivat Jesus!*
